Director's Corner

To all the ADAYS parents and families,
I have accepted an opportunity to open another preschool in the San Diego area and my last day here at Adventure Days will be Friday, March 13th.
I am so happy to announce that my replacement and new director will be Jill Giles.
I will treasure my years here and I appreciate your confidence in me to have been the leadership at your child's preschool.
God bless...

La Teresa Oropeza

NEWS YOU CAN USE...

Spring Forward in March Don't forget to set your clocks forward an hour on Sunday, March 8th when daylight saving begins at 2:00am

Student Assessments will be available April 1st. Parent teacher conferences will be available upon request.

Sick child Please, pick your sick child **within 30 minutes** after you are notified by the office. We ask that all parents understand the we are a "well center", which means that our "Health Exclusion Policy" has to be enforced to keep other children and staff well. If your child is sent home sick then he/she needs to stay home the following day.

Pre-Kindergarten Program Graduation will be on Friday, June 5th at 10:00am. We have a wonderful presentation planned showcasing the graduates, followed by a cap and gown ceremony. Save the date. Invite your family and friends.

abcmouse.com is a wonderful program for your child to help with numbers, letter and provides instructional activities. It runs around \$7.00 a month but your child has their own program that they build by earning tickets for completing the different activities. Check it out!!!

Parking Lot— please, take it slow in the school parking lot, many parents are coming through too fast and we have little ones walking in and out of school.

Silouettes Judith Housel will be here on Thursday, March 12 to do silouettes, she will be here early in the morning until the afternoon and will available to do your child's silouette. More info to come...

Upcoming Events
On March 17th...we will be having the **Rose-Ritchie Academy Irish Dancers** come and preform for our school. They will be here at 11:00am to dance and set the mood for our ST. Patrick's Day. Don't forget to wear **GREEN!**

Itsy Bitsy

The song "Itsy Bitsy" is an all-time favorite with very young children.

Adapt this song and change the word "spider" to different and familiar animals that your baby recognizes, such as a dog.

The itsy bitsy doggie...climbed up the water spout. (walk like a dog and bark)

Out came the sun (make the sun with your arms in a circle above your head)

And dried up all the rain.

And the itsy bitsy doggie climbed up the spout again (walk like a dog and bark)

Words of the Month

What Brain Research Says

The link between music and spatial reasoning is significant because spatial reasoning skills are part of abstract reasoning.

"Train up a child in the way he should go, Even when he is old he will not depart from it." Proverbs 22:6

1/2 cup chopped fruit

LEGACY KIDS

what we are learning this month

PRESCHOOL

MARCH BIBLE TRUTHS

ELEMENTARY

Legacy Tierrasanta Kids happens every Sunday morning at 9 & 10:30 am with check in right in the lobby. We have a class for 5 age groups: Nursery (0-2 year olds), 2 & 3 year olds, Preschool and Kindergarten, 1st-2nd grade, and 3rd - 5th Grade.

Each of us has been hurt. Tough as it is, God can help us choose forgiveness: deciding that someone who has wronged you doesn't have to pay. With His help, you can "do it yourself"—because forgiveness is up to you.

Conquering
the Darkness

The theological, the practical, and the very
personal reasons that Jesus had to die.

"When Jesus spoke again to the people, he said, 'I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.'" John 8:12
